The City of Tampa is hosting an open house public meeting to present design plans for the Upper Peninsula Watershed Drainage Improvements Dale Mabry/Henderson Design-Build Project.

Please be advised that if you have already been contacted for a one-on-one meeting, it will not be necessary to attend this meeting. During your one-on-one meeting you will be informed about how the construction will affect you. In addition you will have the opportunity to discuss any special needs and provide your input.

Public participation is solicited without regard to race, color, national origin, sex, religion, disability or family status. Those who require special accommodations under the Americans with Disabilities Act should contact the Project Hotline at (813) 235-0364 at least seven (7) working days in advance of the meeting.

See other side for a map of the Project route and additional public meeting information.
